Cookies policy

Last updated: April 24th, 2018

MIRholding B.V. ("us", "we", or "our") uses cookies on www.mirhosting.com (the "Service"). By using the Service, you consent to the use of cookies.

Our Cookies Policy explains what cookies are, how we use cookies, how third-parties we may partner with may use cookies on the Service, your choices regarding cookies and further information about cookies.

What are cookies

A cookie is a is a small piece of data sent from a website and stored on your computer by your web browser while you are browsing. It allows the Service or a third-party to recognize you and make your next visit easier and the Service more useful to you.

Cookies can be "persistent" or "session" cookies.

How MIRholding B.V. uses cookies

When you use and access the Service, we may place a number of cookies files in your web browser.

We use cookies for the following purposes: to enable certain functions of the Service, to provide analytics, to store your preferences, to enable advertisements delivery, including behavioral advertising.

We use both session and persistent cookies on the Service and we use different types of cookies to run the Service:

- Essential cookies. We may use essential cookies to authenticate users and prevent fraudulent use of user accounts.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our site. They include, for example, cookies that enable you to log into secure areas of our site, use control panels or make use of the e-billing services.
- **Analytical/performance cookies.** They allow us to recognize and count the number of visitors and to see how visitors move around our site when they are using it. This

helps us to improve the way our site works, for example, by ensuring that users find what they are looking for easily.

- **Functionality cookies.** These are used to recognize you when you return to our site. This enables us to personalize our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

You can find more information about the individual cookies we use and the purposes for which we use them below.

First-party cookies

This website will set some cookies that are essential for the website to operate correctly. These cookies, none of which capture personally identifiable information, are as follows:

- Visitor ID – this cookie is a numeric value that identifies unique visitors and provides coherence and consistency to a site visit;
- Language – this cookie identifies the language you prefer;
- Currency – this cookie identifies the currency you use in your account;
- Aggregated statistics – www.mirhosting.com may collect statistics about the behavior of visitors to its websites. We use Matomo Analytics software to collect data about website usage. This data does not include personally identifiable information.

Third-party cookies

Our site will set several types of third-party cookie, and we do not control the operation of any of them. The third-party cookies which may be set include:

- Google Analytics – we use Google Analytics to collect data about website usage. This data does not include personally identifiable information. You can view the Google Privacy Policy here: www.google.com/policies/privacy/.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Changes to this policy

We reserve the right to change this Policy. Any changes made will be posted here.
